Note From Your Editor

This month's newsletter will be short. We are all in vacation mode including me, so I will just include information you will need for upcoming events and some photos so kindly taken by Marilyn Caudron at the last meeting. Thanks, see you on the 14th — Joy Agnew

July 14th Meeting

This next meeting is our annual picnic at the Wrightwood Country Club. Dinner starts at 6:00 pm. After dinner we will see presentations by Icky Orr, Beth Stanton, and Laurie Lyle showing some awesome quilts.

We are also going to have a "guided" potluck. If your last name starts from A - F, please bring a main dish; G - O, a dessert; P - Z, a salad or a side. Remember, this is a guide, so that means you may opt to bring something outside your grouping.

Directions to Country Club: from Highway 2 at the stop sign in front of the post office, go up (south) on Willow all the way to the top. Turn right on Oriole and make an immediate left into the parking lot. The clubhouse is next to the parking lot. We will be eating outside on the deck and it does get cool in the evenings, so bring a sweater. One member will provide some sodas and water, so feel free to bring your own drinks.

Mini Quilt Auction—July 11 th

If you have not already turned in your auction quilt, it must be turned in to Icky Orr no later than July 1st. The auction is on July 11th this year. Auction set up time is 8:00, viewing of quilts opens at 10:00, auctioneer starts at 2:00 and clean up starts after completion of the auction, usually around 3:30. If you are signed up to work, expect a reminder call. If you are not signed up to work, show up and offer to help, there is always something to do. All guild members are expected to participate in our activities.

The final work party is going to be held on Monday, July 6th. If you want to attend, please call Icky for location and time. We still have a few spots available. 760-249-6210

Be sure to note that if you purchase the \$15.00 kit there are certain supplies you will not need. Also note there are some items that will not be included in the kit, such as the background piece, and the #8 beads. She will also have items for sale to supplement what you do not have.
